## DESCRIPTION

The 3\*\*\*S Hotel Ramada Innsbruck Tivoli is located directly opposite of the Olympiaworld, in the heart of Tyrol and surrounded by an impressive mountain scenery. With its excellent connections to the city center, the train station, airport and motorways it is located almost perfectly.

It is one of Innsbruck's tallest buildings with 12 floors and an amazing architecture, meeting the demands of business guests and individual travelers.

## ACCOMMODATION

You will feel perfectly at home thanks to the simple lines of the architecture and the artistic elements which give each room its own individuality: All 159 rooms and suites at the Hotel Ramada Innsbruck Tivoli are modern and fully equipped.

A shower or bath, toilet, hairdryer, minibar, telephone, safe, flat screen TV with satellite TV and a free Wi-fi are all provided.

## MOMENTS OF WELL-BEING

Enjoy a selected and comprehensive breakfast buffet in our breakfast restaurant. From the terrace the guests have a stunning view of the surrounding mountains and the world-famous Bergisel ski-jumping hill.

On the ground floor there is our modern Bistro Bar offering refreshing drinks, coffees and a varied selection of international, Italian and regional snacks and dishes in the evening.

## SAUNA AND FITNESS AREA

Situated on the 12th floor the sauna and fitness area comprises a finnish sauna, a steam bath, a fitness room with the latest Techno Gym equipment and a massage and treatment room. Our guests can relax while enjoying the unique views over the rooftops of Innsbruck to the Alps.
