Carved into a cliffside, with floor-to-ceiling windows revealing the vast Adriatic, newly redesigned five-star boutique Hotel Bellevue Dubrovnik is a state-of-the-art seaside retreat around the bay from Dubrovnik's a magnificent 6<sup>th</sup>-century Old Town. Luxurious sailing boats served as inspiration for interior room decor and design: rooms are minimalist and elegant, but do not compromise on supreme comfort and luxurious amenities.

Strikingly set on a 30m-high cliff on Miramare Bay, Hotel Bellevue Dubrovnik gives you some of the most cinematic panoramas of the Dalmatian coast.

From the moment you arrive, you're immersed in a world of contemporary luxury and elegant service that makes you feel as if you're on your own private ocean liner, yet you are just a 10-minute walk away from the mesmerizing medieval city centre.

## DUBROVNIK

The golden walled city of Dubrovnik is one of the most celebrated beauty spots of the Mediterranean. It is a harmonious showcase of art and civil, religious and military architecture from the Renaissance and Baroque periods. Ragusa was one of the great trading powers of the eastern Mediterranean from the Renaissance to the Napoleonic era. Side-lined from history after that, it was spared ugly industrial development and survived intact, a beautiful city proud of its history and culture.
