Responsible Hospitality – the foundation for our business

- Responsible Hospitality means catering to our guests' needs while being responsible to the environment surrounding us.
- We work according to a set of principles that ensures that our solutions – whether they are regarding food, technology or furniture - are purchased and runs on a sustainable basis.
- We provide a healthy and safe environment for our staff, guests and business partners.
- We require our suppliers to meet the standards set out in our ethical code of conduct for suppliers. These standards are based on the principles of the UN Global Compact and also include industry-specific sustainability requirements.

Great design meets green innovation

- **Crowne Plaza Copenhagen Towers – the first CSR Certified Sustainable Hotel in the World**
- **In 2013 we achieved the Danish Standard 49001 certification* and ISO 14001 certification as the first and still only Danish hotel and both certifications were renewed in 2015**
- **Participate in the IHG Green Engage**
- **With us you can rent an electric car or bicycle**

*The focus of the certification is on a large number of requirements within good management, human rights, labour conditions, environmental conditions, good business practices, consumer conditions and local social development and involvement. The Danish CSR standard, DS 49001, is based on the ISO 26000 international management system standard
