Château de Crécy

“ The big library from another era, transformed into a beautiful dining room ”

From its gates, the Crécy la Chapelle castle transports you to another century. The sound of a horn can be heard in the park, as violins ricochet between the walls of the 50 bright rooms. A waltz surrenders to the Gustavian curves of the large dining room, as notes dot the cozy sitting rooms with the sleek lines of Flamant furniture.

53 rooms

9 meeting rooms
