PARIS GARE DE L'EST

## HOTEL LOCATION

Referred to as the City of Love, La Ville Lumière, on the banks of the Seine, is a world-class cultural, artistic and historical capital, rich in monuments and attractions, from its most iconic landmark, the Eiffel Tower, to the Louvre, one of the world's most famous museum. The delicacy of French patisserie, the haute couture of the most famous fashion brands and other gems such as the Notre Dame cathedral or Montmartre make Paris an unmissable destination that envelops you in its elegant and chic atmosphere.

Known for its cosmopolitan and multicultural character, NH Paris Gare de l'Est is located in the 10th arrondissement, one of the strategic areas to explore La Ville Lumière, thanks to its proximity to the city's main railway stations and transport lines, which allow easy access to its focal points, such as the Stade de France.

The hotel's name derives from its proximity to the historic Gare de l'Est station, one of the oldest and most iconic in Paris. Its elegant 19th-century Art Nouveau design sets it apart from other stations in the city, giving it a timeless charm. Its fame began in 1883 when the famous Orient Express departed from there on 4 October, bound for Strasbourg, Munich, Vienna, Bucharest and Istanbul. Gare de l'Est is thus associated with the idea of an epic and adventurous journey, between modernity, luxury and progress.

NH Paris Gare de l'Est is housed in a classic 19th century Haussmannian building, perfectly combining the charm of 19th century Parisian architecture with modern comforts inside. Located opposite Gare de l'Est station and just minutes from Gare du Nord station, the hotel offers a convenient location for exploring La Ville Lumière's main tourist attractions, its vibrant neighbourhoods and for easy travel throughout Europe.
